MONDAY is the beginning of our Grand Annual Mid-Summer Clearance of Home Furnishings. Past experience has taught us that it is "bad business" to carry goods from season to season, but that it is "good business" to sacrifice profits to secure shelf and floor space needed for new goods. So we have gone through our entire stock of high-class merchandise and reduced all odd pieces and discontinued patterns by 33 1/3 per cent, and have reduced everything else in the store from 10 to 20%.

This August Sale is of vital importance to you and to us. While it is clearing our floors to make room for Fall goods that our buyer is now purchasing in Eastern markets, it is giving you an opportunity to secure the highest grade of Home Furnishings to be found in this Territory, and at a saving of 10 to 33 1/3% on every dollar spent.

Figure up your present and early future needs and be here early Monday morning. Everything will be marked with Sale Tags, and conveniently arranged for your inspection. Naturally the best values, those representing the largest saving, go first. We very much advise early choosing. We can list only a few of the items; there are hundreds for you to see at the store.

If desired, Time Payments may be arranged on goods bought at this Sale.
